Hey pal, this is the order form of Nature Sucks Anyway Records. With this piece of paper you can get some funky stuff from us (provided that you have printed this out and have an extra few cents in your pocket). All you need to do is fill in the blanks and send this form out to us with the appropriate amount of money (ca\$h) enclosed in the envelope and voila, the stuff will be at your doorsteps sooner than you'd imagine. And all you Americans can send us exactly the same amount of your dollars as the price states in euros. Thank you for keeping the scene alive!
